

The City of Chula Vista strongly recommends that you contact the State of California Contractor's Licensing Board at 1-800-321-CSLB or visit their website at www.cslb.ca.gov for information and listings of licensed contractors within the San Diego County area.

This list of contractors includes licensed contractors who have been selected by previous recipients of rehabilitation assistance through the Community Housing Improvement Program (CHIP). This list is provided as a reference tool only, and the City makes no representations, guarantees or warranties, of any nature or kind, as to the quality of any material or labor services to be furnished.

You may submit bids from any **licensed** contractor of your choosing. **No bids from unlicensed contractors will be accepted.** Please be advised that you must submit **THREE** bids from licensed contractors in order for your application to be deemed complete. A copy of the contractor's license and their City of Chula Vista business license must be required.
